PROFILE

I am 26 years old Japanese veterinarian and currently a Godolphin Flying Start trainee. This is a two year full-time international management and leadership training programme specializing in Thoroughbred racing and breeding industry. My main interest is farm management, bloodstock and education.

EDUCATION

Godolphin Flying Start

Trainee / 2019 Aug – 2021 Jul

Irish National Stud, Ireland

Student / 2019 Jan – Jul

Awarded a distinction in one of the most prestigious thoroughbred breeding courses in the world. A six-month stud management course combining all aspects of practical work on a stud with theory lectures and an academic programme.

Obihiro University of Agriculture and Veterinary Medicine

Bachelor of Veterinary Medicine / 2011 – 2017

Licensed to practice in Japan

EXPERIENCE

Paca Paca Farm, Japan

Assistant Farm Manager, Veterinarian / 2017 Mar – 2018 Dec

Working with an exceptional band of broodmares including boarding mares from Europe and Australia for Japanese stallions including Deep Impact. Medication management, assisting with foaling, neonatal care, scanning broodmares for covering and pregnancy during the breeding season. Foal and yearling preparation for the JRHA Select Sale. Duties involved handling yearlings, mares and foals, their veterinary management, feeding and general stud duties.
