PROFILE

Currently a Godolphin Flying Start trainee. Having always been passionate about horseracing since being introduced to it at a young age, it remains an ambition to be an integral part of its continuous success. Variety of experience within the industry such as, racing secretary, work rider and careers marketer. Hoping to develop into an industry leader, whereby I can influence change and give back to the sport.

EDUCATION

Godolphin Flying Start

Management Trainee / 2019 - 2021

Godolphin Flying Start is a Management and Leadership training programme that specialises in thoroughbred horseracing and breeding. There are four core modules: Business Management, Leadership, International Bloodstock, Breeding and Racing, Horse Production. Over a two-year period, trainees' study and experience the horseracing industry in Ireland, UK, Australia and Dubai. The programme is accredited by University College Dublin Michael Smurfit Business School and trainees are awarded Graduate Certificate in Management (Thoroughbred Industry) on graduation.

London Metropolitan University
