INTERESTS

OUTDOOR ACTIVITIES

I have always been interested in outdoor activities and I have recently become interested in surfing as well as mountaineering. I've been surfing on the west coast of Ireland a few times and I have recently climbed Ireland's largest peak, Carrauntoohil mountain. I'm keen to surf in different countries and venture up new mountains as well.

SPORTS

I became a member of my local football team (Ballymore Eustace) when I was eight years old and I have been a member ever since. I was also a member of Ballymore/Hollywood boxing club during my later teenage years and I enjoy dabbling in any kind of sporting activity when I can get the chance.
