GODOLPHIN FLYING START EXTERNSHIPS

USA

Dan Blacker Racing

Spent 6 weeks at Dan Blacker's Santa Anita stable carrying out all barn duties, attending race meetings and assisting with European form and pedigree analysis with the goal of bringing suitable horses to the US. As part of the externship, I presented a business analysis of DB Racing, Inc which gave an in depth understanding of how a training barn is managed in the US. Also, I was fortunate to have the opportunity to spend time with 1st racing giving an insight into the management of the track, horses, and trainers on a larger scale.
