Framlingham College  
GCSE, A Level  
2018

## EXPERTISE

MS Office: Word, Excel, PPT

Web design using

Golf, 3 handicap

Sports knowledge

Strong IT proficiency

## PROFESSIONAL PROFILE

I am hardworking, enthusiastic and proactive. I always work to the best of my ability to gain maximum rewards for my effort. I graduated from University with a degree in Sport Business Management which reflects my keen sport and business interests. I am knowledgeable across the global sports landscape, in particular Horseracing, Golf and Football and participated in sport at high level throughout school and at university. I have gained valuable real world work experience during university holidays and am interested in a career within the sports, entertainment, and bloodstock industries. I am delighted to be taking part in the Godolphin Flying Start leadership and management course where I will enhance my skills within bloodstock and international business.
