## PROFESSIONAL PROFILE

- I am a highly motivated university graduate with work experience gained in a variety of professional environments. Employment in the thoroughbred industry includes working in a pre-training yard, assisting owners and agents at bloodstock sales and more recently working on stud farms. Throughout my experience in the field, I have honed my horsemanship and leadership skills creating excellent communication and team working qualities. I am a hard-working individual who is looking to cement a career within the breeding and bloodstock sector of the industry.
